Dear Voter,

Welcome to the Alameda County Voter Information Guide for the June 16, 2026, Congressional District 14, Special Primary Election.

This Voter Information Guide is for one of two separate primary elections taking place in 2026. You should have received, or will soon receive, your Vote by Mail Packet for the June 2, 2026, Statewide Direct Primary Election. You are eligible to vote in both elections.

The Special Primary Election will be held on Tuesday, June 16, 2026. If no candidate receives a majority of the vote, a Special General Election will be held on a later date.

The ballot for this election contains only one contest and one ballot card. It is for the Special Primary Election to fill the vacant seat in Congressional District 14 following the resignation of Representative Eric Swalwell. This election is conducted separately due to different legal timelines and requirements that do not align with the Statewide Direct Primary Election.

The Statewide Direct Primary Election is a regularly scheduled election that includes candidates for federal, state, and local offices and has multiple ballot cards.

Each election packet includes its own return envelope. Be sure to use the correct envelope for each packet.

Return ballots from different election packets separately.

Do not mix ballots or swap envelopes.

We understand that receiving multiple election packets may be confusing. However, this process ensures accuracy, transparency, and timely certification of results.

Please contact us if you have any questions.

Thank you for voting!
