COUNTY COUNSEL'S IMPARTIAL ANALYSIS OF MEASURE A

ANALYSIS BY THE COUNTY COUNSEL OF THE COUNTY OF ALAMEDA OF A LIVERMORE VALLEY JOINT UNIFIED SCHOOL DISTRICT SPECIAL PARCEL TAX MEASURE

Measure A, a Livermore Valley Joint Unified School District ("District") qualified special parcel tax measure, seeks voter approval to authorize the District to levy a seven-year qualified special parcel tax in the amount of \$138.00 per year on each parcel of taxable real property beginning July 1, 2022, to fund the programs set forth in the measure. On June 3, 2014, the District's voters previously voted to approve the Measure G qualified special parcel tax at the same rate, which expires on June 30, 2022.

A school district has the authority to levy special taxes upon approval by two-thirds of the votes cast on the special tax measure. (See Cal. Const. Art. XIII A, § 4; Art. XIII C, §2; Cal. Gov't Code §§ 50075-50077, & 50079.)

If two-thirds of the qualified electors voting on this measure vote for approval, the qualified special tax revenue will be used for the specific purposes set forth in the full text of the measure printed in this sample ballot. Those purposes include, but are not limited to: attracting and retaining teachers; keeping classroom technology and instructional materials up-to-date; and maintaining class sizes. The funds may also provide other financial support to maintain and support the District's academic programs, including the purchase of instructional equipment, materials and supplies. The measure further provides that the Board of Education shall create an account to deposit the proceeds from the qualified special tax and that the proceeds shall be applied only for the purposes specified in the measure. The Board of Education shall also establish a citizens' oversight committee to ensure that the proceeds are spent for the measure's specific purposes.

If the measure passes, a qualified special parcel tax will be imposed in the amount of \$138.00 per year on each parcel of taxable real property beginning July 1, 2022. The tax will be collected by the Alameda County and Contra Costa County Tax Collectors at the same time and in the same manner as *ad valorem* property taxes are collected. Any parcel owned and occupied by a person 65 years of age or older shall be exempt from the qualified special parcel tax. Persons receiving Supplemental Security Income for a disability, regardless of age, shall also be exempt. Persons receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250% of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services, shall also be exempt. The District shall determine eligibility for these exemptions.

If two-thirds of the qualified electors voting on this measure do not vote for approval, the measure will fail, and the District will not be authorized to levy the qualified special tax upon the expiration of Measure G.

This measure is placed on the ballot by the governing board of the District.

DONNA R. ZIEGLER
County Counsel

ARGUMENT IN FAVOR OF MEASURE A
LIVERMORE VALLEY JOINT UNIFIED SCHOOL DISTRICT

Vote Yes on A to renew expiring local funding, without increasing taxes, that our Livermore schools have relied upon since 2004.

Your YES vote **protects quality education in our Livermore schools**. Measure A renews local school funding that is set to expire and will keep great teachers in our classrooms, maintain strong academic programs and keep classroom technology and curriculum up-to-date.

Every penny benefits local elementary, middle and high schools and **cannot be taken away by the State**. Measure A requires independent citizen oversight and annual audits to ensure funds are used as promised.

Without Measure A, the Livermore Valley Joint Unified School District will lose approximately \$4 million in annual local funding and be forced to reduce teachers, academic programs, and instructional technology support and increase class sizes.

Vote YES to protect quality education in Livermore schools:

- Provide elementary science and TK-12 technology specialists
- Attract and retain highly qualified teachers
- Maintain academic achievement in math, science, reading, writing, engineering and technology
- Keep classroom technology and curriculum up-to-date
- Maintain small class sizes

Measure A requires strict fiscal accountability:

- Every penny must stay in Livermore and cannot be taken by the State
- No funds can be used for administrator salaries
- Independent citizen oversight and audits ensure funds are spent properly
- Seniors are eligible for an exemption

Protecting the quality of Livermore schools means keeping qualified and experienced teachers in Livermore classrooms. Measure A is essential for attracting good teachers to Livermore.

Whether or not you have school-age children, supporting quality education is a wise investment. Good schools protect our quality of life and our property values.

Join parents, teachers, seniors, business leaders and our community's most respected leaders and **vote YES on A for strong Livermore schools!**

Argument Against Measure __

Don't be misled by the empty promises of this new tax. This measure promises to 'attract and retain qualified teachers'. The measure fails to identify the budget for the new teachers, the number of new teachers or even a plan that shows how the district will achieve the goal of attracting qualified teachers. The expiring Measure G made this same promise with an additional promise of an annual expenditures audit. Measure G skipped the annual audit, substituting an informal report on expenditures. The oversight committee failed to report how many qualified new teachers had been attracted and retained. Instead, the oversight committee merely reported the number of teachers employed, and announced 'The LVJUSD makes every effort to attract and retain highly qualified teachers.'

The so-called independent oversight committee report was more forthright about spending on bureaucracy expansion. More than half of Measure G funds were spent on bureaucratic specialists. The qualifications and duties of these bureaucratic 'technology specialists' are undefined, but voters can be certain the technology specialists are not certified teachers. The new parcel tax measure fails to identify the duties, qualifications or performance standards of technology specialists. Parents, students and taxpayers want teachers, not more bureaucrats.

Before Measure G, Superintendent Kelly Bowers had an annual salary of \$253,287.96 a year. Now her salary is \$339,550.56 a year, and her total compensation is \$435,915.34. The district administration threatened the voters to approve this new tax measure or they will lay off 'highly qualified teachers.' The voters should call this bluff and vote No on this parcel tax mostly benefiting the bureaucracy. The voters and parents of students should draft a new Citizens Initiative that identifies the exact special purposes of a tax and that reduces the salaries of overpaid arrogant administrators.

Rebuttal ~~Arg~~ to Argument in Favor of Measure A

Vote NO. Stop this new tax on your home. Housing costs are already too high.

The School District mismanages your tax dollars. This is the fifth time in the past 18 years that they've asked for more money. In 2016, voters approved a \$520,000,000.00 property tax increase for Livermore schools. That's a half BILLION dollars. *Now they want MORE!*
They received \$34,000,000 in Federal/State Covid funding.

The "Yes" argument is lying. *We read the fine print*. Nothing in Measure A prevents the District from using funds for administrator salaries. The 50 highest paid District employees are bureaucrats, not teachers. Superintendent Bowers and her three deputies together are paid more than \$1,200,000. They must streamline their bloated bureaucracy before asking voters to pay more taxes.

If the District managed money better, they wouldn't need to raise your taxes. This wasteful Special Election will cost Livermore taxpayers around \$600,000. *They could have combined this election with the June statewide election for a fraction of the cost*. The District spent \$100,000 on political "spin doctors" and propaganda to manipulate you to approve this new tax.

Measure A has no "fiscal accountability":

- "Every penny" does NOT "stay in Livermore" because the District would pay large "administrative fees" to County bureaucrats.
- "Independent citizen oversight and audits" is meaningless. There is no public reporting requirement. The Superintendent (not the School Board or "oversight committee") controls the supposedly "independent" auditor. *Don't be fooled!*

RESOLUTION NO. 032-21/22

RESOLUTION CALLING FOR PARCEL TAX ELECTION OF 2022

WHEREAS, the Livermore Valley Joint Unified School District ("District") is committed to quality, well-rounded public education; and

WHEREAS, since 2004, the Livermore community has supported quality education by providing supplemental financial support for the District through voter-approved parcel taxes; and

WHEREAS, such supplemental revenues have allowed the District to attract and retain quality teachers and provide strong core programs, including math, science, reading, writing, engineering and technology, and other core academics, making our neighborhoods desirable, attracting families and enhancing our property values; and

WHEREAS, in 2014, the voters of the District renewed its parcel tax ("Measure G") for a period of seven years; and

WHEREAS, revenues from Measure G provide a stable source of approximately \$4,000,000 annual funding that support local schools and cannot be taken by the State of California (the "State"); and

WHEREAS, stable local funding protects, enhances and helps the District retain neighborhood schools' academic excellence, enhance student success, retain highly qualified teachers, keep classroom technology and instructional materials up-to-date, maintain small class sizes and preserve academic programs; and

WHEREAS, unless Measure G is extended by voters, the loss of approximately \$4,000,000 annual funding will result in a reduction of educational programs, and risk the loss of highly qualified teachers and other education personnel; and

WHEREAS, this measure maintains all existing senior exemptions to Measure G, without any further application being required from those eligible persons; and

WHEREAS, all expenditures of the parcel tax will continue to be subject to independent citizen oversight and annual reports to ensure funds are spent appropriately; and

WHEREAS, Section 4 of Article XIII A and Section 2(d) of Article XIII C of the California Constitution authorize a school district, by a two-thirds vote of the qualified electors, to impose special taxes other than *ad valorem* taxes on real property, and California Government Code (the "Government Code")

Section 50079 authorizes a school district to impose qualified special taxes meeting certain requirements upon approval of two-thirds of the electorate voting on the proposition; and

WHEREAS, Section 1000 of the California Elections Code (the "Elections Code") authorizes the District to conduct such an election on an established election date; and

WHEREAS, May 3, 2022, is an established election date; and

BEGINNING OF FULL TEXT OF MEASURE----->>>>>

LIVERMORE VALLEY JOINT UNIFIED SCHOOL DISTRICT QUALITY EDUCATION ACT OF 2022

This Proposition may be known and referred to as the "Livermore Valley Joint Unified School District Quality Education Act of 2022" or as "Measure ____". *[designation to be assigned by County Registrar of Voters]*

FINDINGS

The Livermore Valley Joint Unified School District ("District") is committed to providing a quality, well-rounded public education to all Livermore students. Since 2004, the Livermore community has supported quality education by providing supplemental financial support for the District through voter-approved parcel taxes. These supplemental revenues have allowed the District to attract and retain quality teachers and provide strong core programs, including math, science, reading, writing, engineering and technology, and other core academics, making our neighborhoods desirable, attracting families and enhancing local property values.

In 2014, the voters of the District renewed its parcel tax ("Measure G") for a period of seven years and revenues from Measure G provide a stable source of approximately \$4,000,000 in annual funding that support local schools and cannot be taken by the State of California (the "State"). This stable local funding protects, enhances and helps retain neighborhood schools' academic excellence, enhances student success, retains highly qualified teachers, keeps classroom technology and instructional materials up-to-date, maintains small class sizes and preserves academic programs. Unless Measure G is extended by voters, the loss of approximately \$4,000,000 annual funding will result in a reduction of educational programs and risk the loss of highly qualified teachers and other education personnel.

The measure to renew local school funding proposed herein does not increase taxes beyond the amount local property owners already pay to support Livermore schools. Renewing this local measure will maintain and preserve all existing senior exemptions to Measure G, without any further application being required from those eligible persons. All expenditures of the parcel tax will continue to be subject to independent citizen oversight and annual reports to ensure funds are spent appropriately and will benefit only the District's schools and cannot be taken by the State or by other school districts.

TERMS AND PURPOSES

Upon approval of two-thirds of those voting on this Proposition, the District shall be authorized to levy a qualified special tax (education parcel tax) in the maximum annual amount equal to the current rate of \$138 per parcel of taxable real property in the District, for seven years commencing July 1, 2022.

The education parcel tax authorized by this Act will renew the existing Measure G education parcel tax approved by the voters of the District on June 3, 2014, which expires by its own terms on June 30, 2022.

Moneys raised under this Quality Education Act of 2022 shall be authorized to be used only to provide financial support to local school programs in accordance with priorities established by the Board of Education and to the extent of available funds, including to:

- Provide elementary science and TK-12 technology specialists
- Attract and retain highly qualified teachers
- Maintain academic achievement in math, science, reading, writing, engineering and technology
- Keep classroom technology and instructional materials up-to-date
- Maintain small class sizes
- Keep schools well-maintained

and to provide other financial support to the extent of available funds to maintain and support the District's academic programs, including the purchase of instructional equipment, materials and supplies.

EXEMPTIONS – SENIOR CITIZENS;
RECIPIENTS OF SUPPLEMENTAL SECURITY INCOME; RECIPIENTS OF SOCIAL SECURITY
DISABILITY INSURANCE BENEFITS

In order to provide tax relief to senior citizens in the community, any parcel owned and occupied by a person 65 years of age or older shall be exempt from the education parcel tax. Persons receiving Supplemental Security Income for a disability, regardless of age, shall also be exempt. Persons receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250% of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services, shall also be exempt.

Exemptions granted pursuant to this section shall remain in effect until the taxpayer becomes ineligible. If the taxpayer becomes ineligible for the exemption for any reason, a new exemption may be granted in the same manner. Exemptions shall be managed pursuant to procedures described below and as further prescribed by California Government Code Section 50079(e), the Board of Education, and as required by law or by the Alameda County Tax Collector and/or the Contra Costa County Tax Collector.

ACCOUNTABILITY PROVISIONS

Independent Citizens' Oversight Committee. The Board of Education shall establish an independent Citizens' Oversight Committee (which may be the existing Measure G oversight committee) to ensure that moneys raised under this Quality Education Act of 2022 are spent wisely and only for the purposes named in this Proposition. The Board of Education shall provide by resolution for the composition, duties, funding and other necessary information regarding the Committee's formation and operation.

Independent Annual Audit. Upon the levy and collection of the education parcel tax, the Board of Education shall cause an account to be established for deposit of the proceeds, pursuant to Government Code Section 50075.1. For so long as any proceeds remain unexpended, the Superintendent of the District shall cause an independent financial auditor to prepare a report to be filed with the Board of Education no later than December 31 of each year, commencing December 31, 2022, stating (1) the amount collected and expended in such year, and (2) the status of any projects or description of any programs funded. The report may relate to the calendar year, fiscal year, or other appropriate annual period, as the Superintendent shall determine, and may be incorporated into or filed with the annual budget, audit, or other appropriate routine report to the Board of Education.

Specific Purposes. All of the purposes named in this Proposition shall constitute the specific purposes of the education parcel tax, and the proceeds thereof shall be applied only for such purposes.

LEVY AND COLLECTION

The education parcel tax shall be collected by the Alameda County Tax Collector and the Contra Costa County Tax Collector (collectively, the "Tax Collector") at the same time and in the same manner and shall be subject to the same penalties as *ad valorem* property taxes collected by the Tax Collector. Unpaid taxes shall bear interest at the same rate as the rate for unpaid *ad valorem* property taxes until paid.

"Parcel of taxable real property" shall be defined as any unit of real property in the District which receives a separate tax bill for *ad valorem* property taxes from the respective Tax Collector. "Parcel of taxable real property" shall exclude in each year all parcels which are otherwise exempt from or on which are levied no *ad valorem* property taxes in any year, and all parcels which have qualified for an eligible exemption provided by this Proposition.

The District shall annually provide a list of parcels to the Tax Collector which the District has approved for an exemption in accordance with this Proposition. Eligibility for either exemption shall be determined solely by the District, and any taxpayer wishing to challenge the District's determination, or claim a refund or reimbursement of taxes paid while eligible for an exemption, shall apply directly to the District.

The Alameda County Assessor's or Contra Costa County Assessor's (collectively, the "County Assessor") determination of exemption or relief for any reason of any parcel from taxation, other than through the exemptions provided for herein, shall be final and binding for the purposes of the education parcel tax. Taxpayers wishing to challenge the County Assessor's determination must do so under the procedures for correcting a misclassification of property pursuant to Part 9 of Division 1 of the California Revenue and Taxation Code or other applicable procedures. Taxpayers seeking a refund of any tax paid shall follow the procedures applicable to property tax refunds pursuant to the California Revenue and Taxation Code.

SEVERABILITY

The Board of Education hereby declares, and the voters by approving this Proposition concur, that every section, paragraph, sentence and clause of this Proposition has independent value, and the Board of Education and the voters would have adopted each provision hereof regardless of every other

provision hereof. Upon approval of this Proposition by the voters, should any part be found by a court of competent jurisdiction to be invalid for any reason, all remaining parts hereof shall remain in full force and effect to the fullest extent allowed by law.
