(d) The City Council hereby authorizes Mayor Carol Dutra-Vernaci and Councilmember Jaime Patiño to prepare and file a rebuttal argument in favor of the ballot measure set forth in this Resolution, which may be signed by members of the City Council, representatives of bona fide associations of citizens, and individual voters eligible to vote on the Measure, who may be different from the persons who signed the argument in favor of the measure. Members of the City Council who sign the rebuttal argument may use their titles. In accordance with Elections Code Section 9287, any council members authorized by the City Council to do so may sign the rebuttal argument for the Measure.

Section 10. In accordance with Elections Code Section 9280, the City Attorney is directed to file with the City Clerk, by 5:00 p.m. on August 6, 2024, an impartial analysis of the Measure, not to exceed 500 words, showing the effect of the Measure on the existing law and the operation of the Measure.

Section 12. The City Manager, City Attorney and City Clerk (“City Officers”) are authorized to make all approvals, expend funds, enter into any agreements, and take any and all actions necessary or appropriate to carry out and implement the terms of this Resolution and to administer the City’s obligations, responsibilities and duties to be performed herein.

Section 13. The approval of this resolution is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., “CEQA,” and 14 Cal. Code Reg. §§ 15000 et seq., “CEQA Guidelines”), based on the general rule set forth in CEQA Guidelines Section 15061(b)(3) that CEQA applies only to projects which have the potential for causing a significant effect on the environment. This resolution places a measure on the ballot that, if approved, modifies the City’s business license tax; thus, it can be said with certainty that there is no possibility that the Measure will have a significant effect on the environment. Additionally, the tax that is the subject of this resolution is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have such effect, the City would undertake the required CEQA review for that particular project at the earliest feasible time prior to approval of the project, consistent with CEQA Guidelines Sections 15004 and 15352. Therefore, pursuant to CEQA Guidelines section 15060, CEQA analysis is not required.

AN ORDINANCE OF THE CITY OF UNION CITY AMENDING CHAPTERS 5.04, 5.08, 5.12, 5.16, 5.20 AND 5.24 OF THE UNION CITY MUNICIPAL CODE TO AMEND THE CURRENT BUSINESS LICENSE ORDINANCE

WHEREAS, in 1969, the City Council of the City of Union City approved the imposition of a business license tax, codified as Chapters 5.04, 5.08, 5.12, 5.16, 5.20 and 5.24 of the Union City Municipal Code (the "Business License Tax"), which provided for the imposition and collection of a general tax on the privilege of transacting and carrying on business in the City; and

WHEREAS, the City is facing a budget deficit that could directly impact essential services that local residents rely upon; and

WHEREAS, to protect essential services, including 9-1-1 emergency response, street and pothole repair, crime and violence prevention, and fire protection and paramedic services, the City is seeking to enhance locally controlled funding that cannot be taken away by the State; and

WHEREAS, the City requires all businesses operating in Union City to obtain a business license and pay an associated annual tax to help support the roads, infrastructure, and services used by local businesses; and

WHEREAS, the City's current Business License Tax structure has not been updated for 34 years, since 1990, and the local economy, industries, and workforce have changed significantly in that time; and

WHEREAS, to ensure that large businesses contribute to the services, roads and infrastructure in the City and to protect small businesses from increased costs, the City is proposing to modernize and simplify the current Business License Tax; and

WHEREAS, the proposed changes to the Business License Tax are designed to attract, retain, and encourage business growth and job creation in Union City, simplify oversight and compliance, and generate approximately \$3.5 million in annual funding for local services and infrastructure; and

WHEREAS, the proposed changes to the Business License Tax would not impact Union City residents who do not own or operate a business in Union City; and

WHEREAS, locally controlled funding from the Business License Tax could be used to maintain rapid 911 emergency response times, repair potholes and maintain streets, reduce crime and gun violence, protect paramedic and fire protection services, maintain neighborhood police patrols, and reduce blight and keep neighborhoods clean; and

WHEREAS, the proposed measure includes fiscal accountability protections to ensure funds are spent properly, including required public disclosure of all spending and mandatory annual audits; and

WHEREAS, all funds from the measure must stay in Union City for local services and infrastructure and no funds may be taken away by the State.

NOW, THEREFORE, the People of the City of Union City do ordain as follows:

SECTION 1. Recitals.

The above recitals are true and correct and made a part of this Ordinance.

SECTION 2. Municipal Code Amendment.

The City of Union City Municipal Code Chapters 5.04, 5.08, 5.12, 5.16, 5.20, and 5.24 are repealed in their entirety and replaced with the text in Exhibit A, attached hereto and incorporated herein by reference (the "Amended Business License Tax"), beginning April 1, 2025, the date upon which the Amended Business License Tax shall first be implemented.

SECTION 3. Compliance with the California Environmental Quality Act.

The approval of this ordinance is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., "CEQA," and 14 Cal. Code Reg. §§ 15000 et seq., "CEQA Guidelines"). This ordinance imposes a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action. As such, under CEQA Guidelines section 15378(b)(4), the ordinance is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have either such effect, the city would undertake the required CEQA review for that particular project at the earliest feasible time prior to the approval of the project. Therefore, pursuant to CEQA Guidelines section 15060, CEQA analysis is not required.

SECTION 4. Severability.

If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the Ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this Ordinance are severable. The People of the City of Union City hereby declare that they would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid, or unenforceable.

SECTION 5. Amendment or Repeal.

The Amended Business License Tax may be repealed or amended by the City Council without a vote of the People. However, as required by Article XIII C of the California Constitution, voter approval is required for any amendment of any provision that would increase the rate of any tax levied pursuant to this Ordinance. The People of the City of Union City affirm that the following actions shall not constitute an increase of the rate of a tax:

A. The restoration of the rate of the tax to a rate that is no higher than that set by this Ordinance if the City Council has acted to reduce the rate of the tax;

B. An action that interprets or clarifies the methodology of the tax or any definition applicable to the tax so long as interpretation or clarification (even if contrary to some prior interpretation or clarification) is not inconsistent with the language of this Ordinance;

C. The establishment of a class of person that is exempt or excepted from the tax or the discontinuation of any such exemption or exception other than the discontinuation of an exemption or exception specifically set forth in this Ordinance; and,

D. The collection of the tax imposed by this Ordinance, even if the City had for some period of time failed to collect the tax.

SECTION 6. Codification.

Upon adoption of this Ordinance pursuant to the voter approval referenced above, the City Clerk, in consultation with the City Attorney, is hereby authorized and directed to codify this Ordinance in the Union City Municipal Code.

SECTION 7. Publication and Effective Date.

Within fifteen (15) days from and after adoption, this Ordinance shall be published once in a newspaper of general circulation printed and published in Alameda County and circulated in the City of Union City, in accordance with California Government Code Section 36933. If this Ordinance is approved by a majority of the voters voting on the issue at the November 5, 2024, election, pursuant to Elections Code Section 9217, this Ordinance shall become effective ten (10) days after the Council declares the results of the election.

5.04.020 Revenue measure.

This chapter is enacted for the sole purpose of raising revenue for municipal purposes and is not intended for regulation. The issuance of any tax certificate shall not be construed as authorizing any business to operate without first complying with all other applicable laws and regulations.

5.04.030 Effect on other laws.

- A. Persons required to pay a business tax for transacting and carrying on any business under this chapter shall not be relieved from the payment of any similar tax for the privilege of doing such business required by any other law of the City, the County or the State and shall remain subject to the regulatory provisions of those other laws.

- B. Any person required to pay a business tax for transacting and carrying on any business under this chapter shall not be relieved from the payment of such business tax, notwithstanding that such business is not in compliance with zoning, health, safety, or other regulatory provisions of the Code or other State or federal law. Compliance with the provisions of this chapter shall not constitute evidence that such business is in compliance with any other such regulations or provisions of law.

5.04.040 Required business tax payment.

- A. It shall be unlawful for any person to transact and carry on any business, trade, profession, calling, or occupation in the City without first having paid the business tax, as prescribed in this chapter or without complying with any and all applicable requirements of this chapter.
- B. This section shall not be construed to require any person to pay a business tax or to comply with any other requirement of this chapter prior to doing business within the City if such requirements conflict with applicable statutes of the United States or of the State.

5.04.050 Evidence of doing business.

When any person, by the use of signs, circulars, cards, telephone books, or newspapers, shall advertise, hold out, or represent that the person is in business in the City, or when any person holds an active license or permit issued by a governmental agency indicating that the person is in business in the City, or when any person makes a sale, takes an order, renders a commercial service, or performs any other similar act within the City, and such person fails to deny by a sworn statement given to the Collector that the person is not conducting a business in the City after being requested to do so by the Collector, then such facts shall be considered prima facie evidence that the person is conducting a business in the City.

5.04.060 Constitutional apportionment.

- A. None of the business taxes provided for by this chapter shall be so applied as to occasion an undue burden upon interstate commerce or be violative of the equal protection and due process clauses of the Constitution.
- B. In any case where a business tax is believed by a person transacting or carrying on any business in the City to place an undue burden upon interstate commerce or be violative of such constitutional clauses, such person may apply to the Collector for an adjustment of the tax. Such application may be made before or at the time the tax is required to be paid or within six (6) months after the payment of the prescribed business tax. The applicant, by sworn statement and supporting testimony, shall show the applicant's method of business, the gross volume or estimated gross volume of such business, and such other information as the Collector may deem necessary in order to determine the extent, if any, of such undue burden or violation. The Collector shall then conduct an investigation and, after having first obtained the written approval of the City Attorney, shall fix as the business tax for the applicant an amount that is reasonable and nondiscriminatory or, if the business tax has already been paid, shall order a refund of the amount over and above the business tax so fixed. Such investigation, fixing of the business tax, and order of refund shall be accomplished within a reasonable time upon receiving the requisite information by the City. In fixing the business tax, the Collector shall have the power to fix the business tax on any basis which will assure that the business tax assessed shall be uniform with that assessed on businesses of like nature, so long as the amount assessed does not exceed the business tax prescribed by this chapter. If it is determined that no business tax is due, the applicant exempt from the business tax shall obtain, and the Collector shall issue, a tax certificate indicating such exemption from the tax.

5.04.070 Exemptions.

- A. Nothing contained in this chapter shall be deemed or construed as applying to any person transacting, engaging in, and carrying on any business exempt by virtue of the Constitution or applicable statutes of the United States or of the State from payment of taxes prescribed herein.
