*A qualified write-in candidate is a person who has submitted the required documentation to run for office after the ballots were printed. A list of qualified write-in candidates (if any) will be available at acvote.alamedacountyca.gov and the Registrar of Voters' office as well as all Vote Centers.

HOW RANKED-CHOICE VOTING CONTESTS ARE COUNTED

We begin by counting all first-choice votes.

If any candidate received a majority of votes (50%+1), that candidate wins.

Candidate B is the winner because Candidate B received a majority of votes (55%).

What if no candidate receives a majority of first-choice votes?

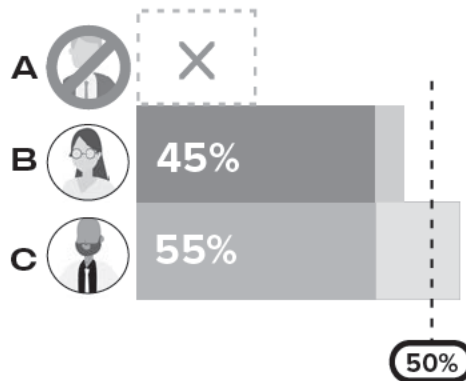

We eliminate the candidate with the lowest number of votes.

If you voted for the eliminated candidate, your vote moves to your second choice.

We count the votes again. If a candidate now has a majority of votes, that candidate wins.

The candidate in last place (Candidate A) is eliminated. Voters who chose Candidate A as their first choice will have their vote moved to their second choice.

The votes are counted again. Candidate C is now the winner because Candidate C has a majority of votes.

What if there is still no winner (no candidate has a majority)?

The process of eliminating the candidate(s) with the lowest number of votes continues until a candidate has a majority.

5. **Statement of General Qualifications:** Homelessness, crime, and garbage erode our city. We deserve leaders who deliver results, don't waste taxes, and stabilize Oakland's finances. My public service exemplifies that. I reformed Massachusetts' homeless response to house people faster. As a Biden-Harris administration official, I led national billion-dollar infrastructure programs reconnecting segregated neighborhoods, fighting blight in Oakland with transformative projects, and second-chance jobs for people leaving prison. As a nonprofit board member, I funded services for Oakland's sex trafficking victims. At the Environmental Protection Agency I enforce responsible spending of federal funds and guide small businesses through regulations for success. Today I'm our County Consumer Affairs Commissioner, protecting seniors from fraud. As your Councilmember, I'll champion cost-effective homeless housing and treatment, law enforcement resources while addressing root causes of crime, and business district revitalization. Together let's make our city safe, clean, and affordable—a place we proudly call home. CharleneForOakland.com

CITY OF OAKLAND MEASURE A

<p style="font-size: 2em; margin: 0;">A Shall the measure providing funding to help maintain City of Oakland programs, services, and facilities such as public safety and police services; neighborhood crime prevention; fire protection; pothole and road repaving; shelter and housing for individuals and families experiencing homelessness; library and recreation services; playground and park maintenance; youth, senior, and cultural programs; by enacting a half-cent (.5%) transaction (sales) and use tax for 10 years, providing approximately \$29,800,000 annually for general government use be adopted?</p>	YES
	NO

CITY ATTORNEY’S IMPARTIAL ANALYSIS OF MEASURE A

This measure would amend the Oakland Municipal Code to add Chapter 4.26, “the City of Oakland Transactions and Use Tax Ordinance,” and impose a 0.5% (one-half percent) transactions and use tax in the City of Oakland (“City” or “Oakland”) for ten years.

Although these types of taxes are called “transactions and use” taxes, they are commonly referred to as sales taxes, which are “added on” and administered in tandem with sales and use taxes on taxable items. The current sales tax rate in Oakland is 10.25%, which represents statewide and other regional taxes. The City does not currently have a local transactions and use tax; this measure would add a 0.5% (one-half percent) transactions and use tax, increasing the total sales tax rate in Oakland to 10.75%.

The tax would be imposed on the sale or use of tangible personal property in the City. Certain exemptions and exclusions are detailed in the measure. Retailers collect the tax at the time of sale and remit the funds to the California Department of Tax and Fee Administration, which administers the tax.

The proposed measure is expected to generate an additional estimated \$29,800,000 in City revenues annually until the tax terminates after ten years. As a general tax, the measure does not restrict the funds to any specific purposes, and revenues raised from the measure will be placed in the City’s General Fund. The City may use the funds for any lawful governmental purposes and priorities, such as public safety and police services; neighborhood crime prevention; fire protection; pothole and road repaving; shelter and housing for individuals and families experiencing homelessness; library and recreation services; playground and park maintenance; youth, senior, and cultural programs; and other municipal services.

This measure was placed on the ballot by the Oakland City Council. This measure will take effect only if a majority (greater than 50%) of voters voting on the measure vote “Yes.”

**CITY AUDITOR'S IMPARTIAL ANALYSIS OF
MEASURE A**

BALLOT TITLE:

City of Oakland Transactions and Use Tax Ordinance

BALLOT SUMMARY:

This ballot measure proposes a half-cent (.5 percent) increase on retail transactions and use tax with some specific exemptions. If passed, the tax increase will be administered and collected by the California Department of Tax and Fee Administration (CDTFA) and will be effective for a period of 10 years.

FISCAL IMPACT:

If passed, Oakland consumers' sales and use taxes would increase by 0.5 percent to 10.75 percent from the current 10.25 percent on retail and use tax transactions.

Based on current consumer trends, if the measure passes, it will generate an estimated \$30.2 million in additional tax revenue for the City in the first year. Costs include a one-time preparatory fee estimated to be \$40,000 and an annual administrative fee of approximately \$233,000 from CDTFA. Additionally, the City will incur an annual fee of approximately \$12,000 to recover the additional revenue due. Accounting for these annual fees, the City would net approximately \$29.97 million in additional revenue after the first year.

Estimated additional revenue to be collected	\$30,200,000
One-time preparatory cost charged to City	\$40,000
Annual charges based on taxes collected	
CDTFA annual administration fee	\$233,000
Annual consultant cost (to recover additional revenue)	\$12,000
Net annual additional revenue in the first year	\$29,977,000

The impact of this measure on consumer behavior and other economic variables is beyond the scope of this analysis.

Information in our independent analysis represents the best information available at the time of this analysis.

ARGUMENT IN FAVOR OF MEASURE A

Oakland is in trouble. To protect our neighborhoods, improve public safety, and maintain essential services, our community must come together and support Measure A.

Measure A is part of a comprehensive financial plan which includes significant cuts and other cost saving measures to address Oakland's most urgent needs and ensure responsible investments in our future. Measure A sets Oakland's sales tax rate at the same amount as neighboring cities and generates approximately \$29.8 million annually to fund vital city services that will keep Oakland safe and thriving.

Key investments will include:

- Enhancing public safety and reducing crime by hiring more police officers, improving 911 response times, and supporting proven crime prevention strategies.
- Strengthening fire protection through updated equipment, wildfire prevention, keeping stations open and emergency response improvements to safeguard every neighborhood.
- Fixing streets and improving traffic safety by continuing to repair potholes, repaving roads, and addressing dangerous intersections to reduce accidents.
- Maintaining Oakland's quality of life by ensuring clean parks, safe libraries, and recreational opportunities for our youth and all residents.

Without Measure A, Oakland faces a serious budget deficit which will lead to severe cuts to critical services. This means fewer first responders, deteriorating roads, and reduced public safety. Measure A won't solve everything, budget cuts will still be required, but it will help maintain vital city services.

Measure A requires important safeguards to ensure funds are spent responsibly, including public financial audits and a Citizen's Planning and Oversight Commission composed of Oakland residents to review how funds are spent to hold the City accountable.

We deserve safe streets, reliable emergency services, and strong community investments that reflect our values.

Join Oakland small businesses, firefighters, public safety advocates and neighbors - Vote YES on Measure A to create a safer, stronger Oakland for everyone.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE A

The proponents which also includes two mayoral candidates, whose argument in favor of ballot measure A, is an attempt to mislead the public. It is notable that the League of Women Voters has chosen not to support this proposed measure .

Measure A is a TRANSACTION AND USE TAX which is directed at ON-LINE purchases ONLY. Measure A is not a retail SALES TAX as claimed by the proponents .

If passed, this measure WILL NOT be able to generate \$29.8 million annually.

There are NO enforcement regulations nor penalties in the enabling legislation Assembly Bill 155. Without any enforcement mechanism nor penalties, this measure has no effect or impact.

Additionally, this proposed measure, has a provision 4.26.130 that states, "Enjoining Collection *Forbidden*" "No injunction or writ of mandate or. other legal or equitable process shall issue in any suit, action or proceeding in any court against the state or city, or against any officer of the state or city, to prevent or enjoin the collection under this ordinance or part 1.6 of division 2 of the tax code of any or any amount of tax required to be collected".

This provision is unconstitutional because it purports to prevent the courts from exercising their judicial and constitutional power to check executive and legislative action. Further, it purports to bar citizens from seeking redress in the courts in response to governmental overreach.

VOTE [NO] ON MEASURE A

Registered Voter in Oakland and Taxpayer

ARGUMENT AGAINST MEASURE A

HERE'S WHY THE VOTER SHOULD VOTE "NO" ON THE PROPOSED "TRANSACTION AND USE TAX MEASURE":

- 1) This MEASURE is NOT A "SALES TAX" which is collected by the retailer at the point of sale by the retailer; the City will be UNABLE to generate \$20 million dollars as alleged;
- 2) Assembly Bill 155 was the enabling legislation in [2011/2012] this USE TAX is an INTERNET TAX which applies to ON-LINE SALES "ONLY"
- 3) There are NO enforcement regulations requiring the ON-LINE purchaser to pay the "USE TAX", it's voluntary
NOTE: There are no guarantees of any generating revenues
- 4) FINALLY, section 4.26.130 of tis proposed Measure, states, NO INJUNCTION OR WRIT OF MANDATE OR OTHER LEGAL OR EQUITABLE PROCESS AGAINST THE STATE OR CITY IS FORBIDDEN..., Completely BARRING a member of the public seeking JUDICIAL REVIEW is ILLEGAL , further it is NOT a provision of the enabling legislation AB 155;
- 5) This provision violates DUE PROCESS and the 14th Amendment:
- 6) There's a FUNDAMENTAL right of access to courts for redress of grievances;
- 7) Separation of Power: Preventing JUDICIAL REVIEW interferes with the courts CONSTITUTION ROLE to check executive and legislative action

VOTE [NO] on this PROPOSED TRANSACTION AND USE TAX

REBUTTAL TO ARGUMENT AGAINST MEASURE A

The argument against Measure A ignores our urgent need to protect public safety, improve emergency response times, repair our streets and roads, and support youth programs that will keep our kids safe and on the right path. Without Measure A, Oakland will face deep cuts to essential services, putting our future at risk.

FACT: Measure A is part of a responsible financial plan to maintain essential services like public safety, fire protection, road repairs, and youth programs while addressing Oakland's budget crisis.

FACT: Measure A ensures emergency preparedness by investing in fire protection, updating equipment, and maintaining wildfire prevention efforts to safeguard our neighborhoods.

FACT: Measure A funds pothole repairs, road repaving, and traffic safety improvements—making our streets safer.

FACT: Measure A improves public safety by hiring more police officers, reducing 911 response times, and supporting proven crime prevention strategies.

FACT: Measure A protects youth programs that provide after school activities, job training, and mentorship to keep kids safe and away from crime.

FACT: Measure A includes strict accountability measures, such as independent audits and a Citizen's Oversight Commission, to ensure funds are spent responsibly.

FACT: Measure A sets Oakland's sales tax rate at the same amount as six neighboring cities.

Without Measure A, Oakland faces fewer first responders and reduced public safety. A broad coalition of Oakland neighbors, firefighters, and small businesses support Measure A because they know we must invest in Oakland's future today.

YES on Measure A - keep Oakland safe, strong, and moving forward.

FULL TEXT OF MEASURE A

Be it ordained by the People of the City of Oakland:

That a new chapter 4.26 is added to the Oakland Municipal Code to read as follows:

4.26.010. TITLE. This ordinance shall be known as the City of Oakland Transactions and Use Tax Ordinance. The city of Oakland hereinafter shall be called "City." This ordinance shall be applicable in the incorporated territory of the City.

4.26.020. OPERATIVE DATE. "Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance. For purposes of Revenue and Taxation Code section 7265, this ordinance shall be considered adopted on the date of the election in which it is approved by the qualified voters of the City.

4.26.030. PURPOSE. This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

4.26.040. CONTRACT WITH STATE. Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that

if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

4.26.050. TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 0.5% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

4.26.060. PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

4.26.070. USE TAX RATE. An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of 0.5% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

4.26.080. ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

4.26.090. LIMITATIONS ON ADOPTION OF STATE LAW AND COLLECTION OF USE TAXES. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in

performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

1. "A retailer engaged in business in the District" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

4.26.100. PERMIT NOT REQUIRED. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

4.26.110. EXEMPTIONS AND EXCLUSIONS.

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:

a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

4.26.120. AMENDMENTS. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

4.26.130. ENJOINING COLLECTION FORBIDDEN. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of

Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

4.26.140. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

4.26.150. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the City transactions and use taxes and shall take effect immediately.

4.26.160. TERMINATION DATE. The authority to levy the tax imposed by this ordinance shall expire ten years after the Operative Date.
