- City of Oakland Measure Y1
- Passed by Voters
  - To allow 16- and 17-year-olds (who pre-register as voters) to vote in School Board Director elections only.
- Implementation of elections to be included w/the November 2024 General Election
  - The Registrar of Voters, the cities, school districts, and the Election Management System vendor are working to form an agreement and develop the Custom Build software to support youth voting.
  - Develop a youth voting outreach plan.

### IV. LANGUAGE, OUTREACH, and EDUCATION

- In addition to language community outreach efforts, we want to extend our outreach to the language communities further. Currently, we put out print ads, radio announcements, and television announcements, as well as attend in-person events. What other mechanisms for our marketing would you suggest we use to extend our efforts to reach the language communities further?

### V. RECRUITMENT of ELECTION WORKERS

- Vote Center
  - To support voters where English is not their first language.
- Internal Registrar of Voters' team members
  - To assist voters who need language support over the phone and in person.
  - To review language election materials.

### VI. REVIEW of SUGGESTIONS and QUESTIONS
